The SURGEON-GENERAL,
U. S. Marine-Hospital Service.

ENGLAND.

Reports from Liverpool.

LIVERPOOL, ENGLAND, *April 19, 1902.*

SIR: I have the honor to state that for the week ended April 19, 1902, there were reported to the local health authorities 3 cases of smallpox, typhus fever, 1 case; enteric fever, 15 cases; scarlet fever, 101; diphtheria, 21; measles, 25.

On April 15, 1902, I vaccinated those of the officers, crew, and cattlemen of the steamship *Michigan*, belonging to the Warren Line, who could not show satisfactory vaccination scars, or who had not had smallpox. To-day I did the same to the officers, crew, and cattlemen of the steamship *Vedamore*, belonging to the Johnston Line.

Respectfully,

CARROLL FOX,
Assistant Surgeon, U. S. M. H. S.

The SURGEON-GENERAL,
U. S. Marine-Hospital Service.
